

Guest Checklist Keep Me and Check Me Often!

Please review this material and
we will see you “reel” soon.

Paperwork

Fishing licenses

- E-mail or text a photo of your driver's license (if you are 16 or older) to Lynda@docwarners.com to speed the issuing process along.
 - If the address on your license is different from your current mailing address, please send your correct address at the same time.
 - You do not need to print your license, we will provide a paper copy.

Under the “[Booked Guests](#)” tab complete:

- **Indemnification form**

- Must be signed before you can get on the bus.

- **Guest info**

- Please inform Doc Warner's of any special dietary needs as early as possible (long before you get to the lodge). A “Guest info” form can be filled out online and submitted.

Additional Travel Info

- **Luggage charges:** Airlines charge for all checked luggage. This will include your fish boxes on your flight home.
- **Fish Box Storage:**
 - Box dimensions are 28" x 14" x 14".
 - Freezers in Juneau – if you are spending the night.
 - Alaska Sea Planes in the airport.
 - Many area hotels have freezers.
- **Non-fishing activities:**
 - Consider arriving a couple of days early to explore the Juneau area. Doc Warner's can suggest a few places to add something extra to an already incredible experience.
 - While at the lodge, consider taking time to watch whales, view wildlife, hike the nearby trails and do some beachcombing. Don't forget your camera, this is a photographer's paradise!

Boating & Fly Fishing

Boating regulations: Doc Warner's will discuss boating regulations during orientation sessions at the lodge. However, it is your responsibility to be well informed and compliant with those regulations.

- All boats are equipped with USC required safety equipment.

Fly Fishing Gear:

- Doc Warner's does not provide fly fishing gear. Bring your own if you'd like to fly fish. We recommend the following for both fresh water and salt water fly fishing:
 - Rod: 7-10 weight
 - Reel: High capacity 8.5 - 9.0
 - Backing: 30 pound ultra thin
 - Line: Taper floating and monoclear saltwater or freshwater, or sink tip saltwater line.
 - Leader & Tippet: Triangle taper fluorocarbon leader, tipped in 3X-0X
 - Flies: Alevin, Blue Smolt, White Wooly Bugger, Egg Sucking Leaches, Flash Fly, Hot Pink Sparkle Shrimp, Chartreuse Everglow Fly, Gold Comet, Lefty's Deceiver, Tarpon Fly, Clouser Minnow, Skyomish Sunrise. Doc's has a limited supply of flies at the store.
